Arriba![®]

November 19, 2008

To: Liberty Richter Distributors, Brokers and Regional Sales Managers

From: Kathy Bonyngue

Subject: Arriba! Brand Representation

Liberty Richter is delighted to announce that we will now represent Arriba! and its sister brands, Texas Pepper Works and California Blue Buzz-A-Rita Margarita Mix, nationally.

Arriba! Fire-Roasted Mexican Salsas capture the authenticity of Mexican Fire-Roasted salsa. Since ancient times Mayans and Aztecs have been roasting, toasting, grinding and frying fresh vegetables, fruits, herbs and spices to make their salsas. Riba Foods was the first US company to commercially produce Fire-Roasted salsa in the USA. The company started in 1988 with the motto “Where Flavor is a Family Tradition”. Riba Foods has remained the leader and innovator in Fire-Roasting vegetables for salsa.

Many companies have tried to produce Fire-Roasted salsa by merely roasting peppers or garlic. Riba Foods begins each recipe by roasting **fresh tomatoes**, tomatillos, jalapenos, garlic and spices over an open grill to bring out that rich, fresh grilled taste that’s associated with true Mexican salsas.

All products, including the newest addition to the range, Arriba! Party Dips, as well as Arriba! shipper displays and quarter pallet displays, are available for pickup at the **Riba Foods plant in Houston, Texas**. Please note that all packer direct orders require a three week lead time, and can be placed immediately.

Most products will also be available for pickup or zone priced delivery at **AWS warehouse in New Jersey**. Product will be available at AWS by January 1st 2009. We will confirm as soon as we have stock. Pricing, spec sheets and a promotion summary is attached for your convenience. Please note that there are two price lists: the balance of 2008 list shows packer pickup details only, the first quarter 2009 list adds AWS warehouse pricing. Contact details for the warehouses is:
